

To improve education across the spectrum in Arizona, the presidents also called for increasing college graduation rates, providing more opportunity for students living in rural areas, focusing on early childhood development, educating lifelong learners, increasing technical training, breaking down barriers to education and reducing the high school drop-out rate as some of the areas that need to be addressed.

The presidents also discussed the need to advance education. Edn-COr62 72 re01 70 0 0 1 29.032.3m00 GIT@MC P KICID 1:
